

# MABA MONTHLY MEETING

Gasoline Alley, Holiday Inn Morgantown  
June 24, 2021

---

On Thursday, June 24, 2021, the general monthly meeting was held with 17 members and guests in attendance. This month the meeting was an evening mixer held from 5 to 7 pm at the Holiday Inn Morgantown in the newly renovated restaurant called Gasoline Alley Bar & Grille.

At 6:04 pm President Kelly Spica thanked members and guests for attending and thanked the Holiday Inn representatives for hosting the MABA event and providing samples of their new appetizer selections.

Laura Taylor, Director of Sales, and Brenda Miller also of the Holiday Inn Sales Office welcomed everyone as they enjoyed the appetizers. Laura told everyone that the hotel had recently renovated the restaurant and the guest rooms on the first and second floors. She also said that she or Brenda would be glad to show us one of the newly renovated rooms if desired. Laura said that with updated rooms and a new menu they want this Holiday Inn to become a destination, not just a stopover. She also said that they are planning to renovate the third and fourth floors later, possibly in the next year or so.

The mixer broke up between 6 and 6:30 pm.

Respectfully submitted,

Luanne R. Graham  
2021 MABA Secretary
